Usa Shrine
Tel: 0978-37-0001
Usa Shrine is the head shrine of approximately 40,000 Hachiman shrines in Japan. With the shrine compounds, there are numerous attractions awaiting visitors such as the Main Shrine, a National Treasure, a historical rotemburi bridge, and a Japanese garden.

Usa Fudoki-no-Oka
Tel: 0978-37-2100
Approximately 800 items of historical material are exhibited here. The Usa Fudoki-no-Oka hill is dotted with many ancient tombs including Akatsuka Ancient Tomb – the oldest ancient tomb in Kyushu, as well as five other ancient tombs.

The big wooden image of Buddha reputed to be carved by Gyoki Priest in just one night has been designated a National Important Cultural Asset.

Stone Bridges that Reflect the Passion of Great Craftsmen
No less than 75 stone bridges built from the end of the Edo period to the Showa period still stand here. There are numerous attractions awaiting visitors such as the Main Shrine, a National Treasure, a historical rotemburi bridge, and a Japanese garden.

Kote-e Wall Murals Expressing the Wishes of People
"Kote-e" refers to wall murals of plaster painted on the walls of warehouses or private houses in the latter half of the Edo period. More than 80 wall murals can be found in Ajimu town.

Kyushu’s Natural History Museum
Tel: 0978-33-1336
Open in June 2013, it is a place to seeing all the products of the earth and the sky of Kyushu. Visitors can see and include the exhibits of the Second World War, and the use made of Mt. Usu Air, which was also used for the filming of the movie "The Sound of the Sea".
